

Women Veterans Voices —together.

The American Legion Foundation, in partnership with American Legion Auxiliary Unit 388, invites women veterans to an evening of conversation, connection, and community as we help establish the new Ellis County Veterans Services Center.

Join us on September 24 at 6:30 PM to share your experiences and help establish a Veterans Services Center that reflects the unique needs of women who have served. Whether you're seeking connection, support, resources, or a place to gather with fellow women veterans, your voice will help shape a center built by veterans, for veterans. ***Your voice matters.***
